CALLING 911

If there is an emergency and you need help, you may need to call 911. An emergency means you need help right now! If the situation can wait and you can get help from a trusted adult later, then it is not an emergency. Pay attention carefully to these rules so you'll know what to do when you need help.

- If you or someone else is in danger...
- If you or someone else has been badly hurt...
